

DÉCORTEx™

PRINTABLE WINDOW BLINDS FROM PAPERGRAPHICS

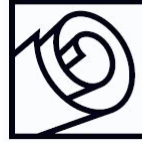

PRODUCT DATA SHEETS

Page: -

2: 2.2 Blackout

3: 1.1 Shade

Overview:

Single-sided roller blind fabric 190gsm | B/DT1

Décortex 1.1 is a highly specified printable single-sided roller blind fabric that produces an exceptional image quality. Woven with a tight bi-directional weave, Décortex 1.1 allows you to print blinds wider than your printer by rotating the design whilst still retaining the stay-flat properties so important for window blinds. Not only does it look fantastic but Décortex 1.1 is also fire rated for commercial use, even when printed. Woven from 100% polyester it is PVC, halogen and VOC free, so completely recyclable. With Décortex 1.1 you really can do more with décor.

- 100% polyester yarn
- Exceptional image quality
- Bi-directional weave for perfect stay-flay properties
- Fire rated for commercial spaces - even when printed
- Easily cut with a sharp knife or scissors without fraying
- No need to hot-knife the edges
- PVC free
- REACH compliant
- Easy to clean with a damp cloth or by vacuuming
- Ideal for both commercial and residential interiors

Applications:

Personalised roller blinds are the latest trend for commercial and home interiors. Décortex 1.1 has been specifically developed for you to produce blinds with bespoke designs, images or branding.

Compatibility:

This product has been tested for use with the following ink technologies;

Latex
UV-Curable

Usage and durability:

This product has been specifically designed for creating roller blinds in both commercial and residential interiors.
